

Holiday Island Rotary Club

Paul Harris Club

The Paul Harris club is a club developed to encourage consistent donations towards being a Paul Harris Fellow through a \$10 per month club. The donations will generate Paul Harris Fellows at a consistent rate and gives the possibility of becoming a Paul Harris Fellow sooner than expected but yet has the commitment of continued giving till a member has given the \$1000 required to be a Paul Harris Fellow.

All members of the club will give \$10 per month to the treasurer of the Paul Harris Club, who is designated by the President of the club. Once the treasury reaches \$1000 the treasurer of the club will inform the Foundation chair that it is time to choose a new Paul Harris Fellow. If no member qualifies to be an automatic Paul Harris Fellow (1) then the Foundation Chairperson shall hold a lottery of all eligible members in the Paul Harris club (2). If more than one member is an automatic Paul Harris Fellow then all automatic Paul Harris Fellows will comprise the pool of names to be drawn from.

- (1) The start date of each Paul Harris fellow will be kept and each member agrees to pay \$10 per month for 8 full years. If the member has not been selected for a Paul Harris Fellowship at the end of 8 years, they become an automatic member and will be selected at the next collection of \$1000. If more than one is designated as an automatic Paul Harris Fellow then they will be drawn one at a time until there are no more Automatic Paul Harris Members each time \$1000 dollars have been collected.
- (2) All Paul Harris Club members are eligible member unless they have already been selected. If they have been selected, they continue their membership until they reach their 8 year anniversary in the club. At that point they can withdraw from the club or continue for another 8 year commitment which will attain an additional Paul Harris Fellowship when selected.

If a member moves, suspends participation, or leaves the club and has not been selected, no monies will be refunded.

Any member taking a leave of absence must pay his commitment before taking a leave to remain eligible.

If the Rotary Club adds monies to accelerate the selection of membership, those monies must be repaid before moving towards another Paul Harris selection.
